RE: Our Client: Maria Rivera
Date of Birth: 05/12/1988
Date of Incident: 02/18/2026

To Whom It May Concern:

This firm represents Maria Rivera in a personal injury claim arising from a motor vehicle accident on 02/18/2026. Our records reflect a current payoff of $6,125.00 for the funding your company provided to our client, good through 10/15/2026.

We respectfully request a 50% reduction of the interest charges associated with this funding. This request applies to interest only, not principal. The reduction would help maximize our client's net recovery and allow this matter to be resolved promptly.

Please provide a breakdown of principal and accrued interest, together with a revised payoff that reflects the requested interest reduction. Because the payoff we have on file has expired, please include an updated payoff as of today.

Please confirm any approved reduction and the updated payoff in writing.

Sincerely,
